

# Medication Information Form

## Instructions to Parents/Guardians:

1. Each Scout that is taking medications will have a separate form. If medication requires refrigeration it needs to be turned in on a separate form and turned in to the Health Lodge during check in.
2. List each medication the Scout is receiving separately.
3. If a scout is receiving more than four medications, use an additional form.
4. All medications must be in the original pharmacy container with the patient's name and dosage clearly marked including any "over the counter" medications.

## Instructions to Scoutmaster:

All medications—including over the counter and prescription medications—that are brought to camp are to be the responsibility of the unit leader. All Scouts bringing medication to Camp are required to have the Prescription Medication Information Form filled out and turned in with their medication to their unit leader. This medication is to be kept at the campsite in a locked container. The Health Lodge will need to receive well-documented information on any medication that requires refrigeration.
