

# 2025 Troop 788 Summer Camp Medication Information Form

## Instructions to Parents/Guardians:

1. Each Scout that brings medications (over the counter and prescription) to summer camp will be required to fill out this form. If medication requires refrigeration it must be listed on a separate form and turned in with the medication to the Health Lodge during check in.
2. List each medication the Scout is receiving separately.
3. If a scout is receiving more than four medications, use an additional form.
4. All medications must be in the original pharmacy container with the patient's name and dosage clearly marked including any "over the counter" medications.

## Instructions to Scoutmaster/Medicine Man:

All medications—including over the counter and prescription medications—that are brought to camp are to be the responsibility of the unit leader. All Scouts bringing medication to Camp are required to have the Medication Information Form filled out and turned in with their medication to their unit leader. This medication is to be kept at the campsite in a locked container. The Health Lodge will need to receive well-documented information on any medication that requires refrigeration.
